Crodh-Laoigh nam Bodach

Lyrics

Crodh-laoigh nam bodach X 3
Gan togail ri gleann

Ma tha mo thogair X 3
Chan eil mo chrodh ann

Crodh-laoigh nam bodach
Air fiar 's air fodar
Crodh-laoigh nam bodach
Gan togail ri gleann

He old men's milk cows
Taking off up the glen

So what do I care
My Cattle aren't there

The old men's milking cows
On grass and on straw
The old men's milking cows
Taking off up the glen

Activity 1

This song was used to keep the singer motivated when they were milking the cows. Can you come up with some ideas that would keep you motivated if you had to milk cows?

Activity 2

Why don't you try making up your own lines of comforting phrases to this melody. For example, "we're warm and cosy, we're not all frozy, we're tired and dozy, and ready for sleep."

Activity 3

Find out about the process of milking a cow. Has it changed much over time?

Activity 4

Draw a picture of the song. Add in the cows, the old men and the glen where they are.
