

ACTIVITY SHEET

DAMHAN-ALLAIDH

Lyrics

Damhan-allaidh, damhan-allaidh
Beag agus dubh, beag agus dubh
Càit a bheil thu a' fuireach? X 2
Air do cheann, air do cheann!

Air do shròin, air do shròin
Air do bhrù, air do bhrù

Spider, spider
Small and black, small and black
Where do you live?
On your head, on your head!

On your nose, on your nose
On your tummy, on your tummy

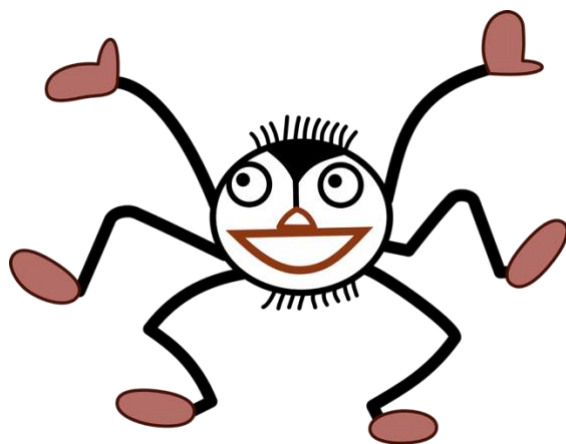

Activity 1

What is your favourite animal or insect? Come up with a song about your favourite animal using the same pattern in the lyrics.

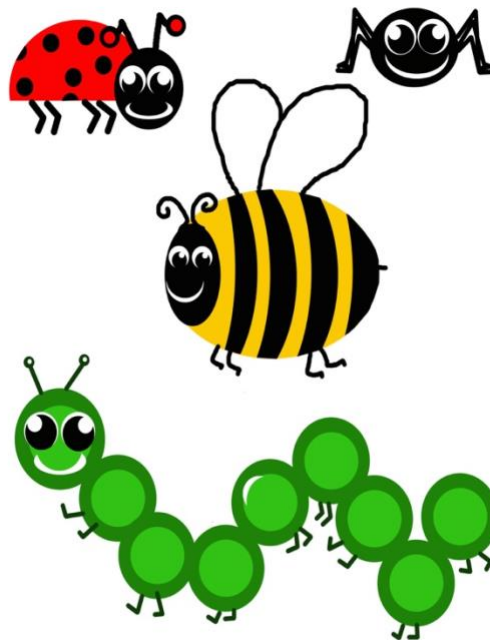

Activity 2

Lets make a spider! Find some pom poms and pipe cleaners (or something that is round and something that can be used as legs). What are you going to name your spider?

Activity 3

Can you make another animal or insect from your craft supplies or things you've found around your house?

Activity 4

Come up with a short puppet show using your two new puppets! What is the story going to be? What is going to happen? Have some fun!
