

ACTIVITY SHEET

THE KING'S SHILLING

Lyrics

**Oh my love has left me wi' bairnies twa
And that's the last o him I ever saw
He's joined the army and he's marched awa'
He's taen the shilling
He's taen the shilling and he's marched awa'**

**Come laddies come, hear the cannons roar
Tak the King's shilling and we're off tae war
Come laddies come, hear the cannons roar
Tak the King's shilling an we're off tae war**

Activity 1

Research soldier's uniforms from the olden days up to today. What things have changed? What things have stayed the same?

Activity 2

Using the information you found in activity one, create an art piece showing the soldiers leaving for war.

Activity 3

There are a lot of descriptions of sound in the song. Have a look outside and inside your house. Can you find anything that could make the sounds from the song? Be as creative as possible!

Activity 4

Write a song, rap or poem to promote peace and to encourage the end of all wars.
