## ACTIVITY SHEET

### SHIFT AND SPIN

#### Lyrics

**Keep yer bobbins runnin easy, Show ye're gallus, bright and breezy  
Waitin till Prince Charmin sees ye, Workin' in the mill**

**Oil yer runners, mend yer thread, Do yer best until you're dead  
You wish you were a wife instead o' Workin' in the mill**

**Used to dream you'd be the rage, Smilin' on the fashion page  
Never dreamt you'd be a wage slave, Workin' in the mill**

**Used to think that life was kind, No it isn't, never mind  
Maybe some day love will find you, Workin' in the mill**

**He loves you not? So what? Make the best of what you've got  
Win your pay, spin your cotton Workin' in the mill**
